Spring/Summer Softball Individual Form

JOHNSON COUNTY PARK & RECREATION DISTRICT

We will make all attempts possible to place your daughter on a team that is beneficial to all parties. We do not require payment to submit this form, as we cannot guarantee placement of your daughter on a team. Once your daughter is placed on a team, you will then make arrangements for the payment with the manager of the team that you are placed with. Please fill out portion below and fax (913-422-7694) or mail to address listed below.

Individual Sign-Up Procedure

Step 1: The completed form is submitted to our office.

Step 2: All player information is compiled into our player database.

Step 3: Player information is distributed to the commissioners. The Commissioners are responsible for distributing the list to the coaches. The Coaches contact you directly about placement.

Step 4: If teams are not in need of individual players, we will make all attempts to forming new teams. For this process, we always need coaches, so if you are able, please alert us to your willingness to volunteer.
