VOLUNTEER COACHES NEEDED

The youth volleyball league is dependent upon volunteer coaching. Parents who volunteer and are chosen to be a head coach will receive 50% off their child's registration fees. All coaches must have a background check and Volunteer Hold Harmless form on file. Players may request a coach and/or coaches may request players to be on their team. If a coach has enough players to form their own team, please use the team registration form to register and the individual registration isn't necessary.

Team Formation Process

Our first priority when forming teams is to place players on the same team if they have requested a friend(s) to play with and/or by their geographic location; however, requests are never guaranteed. If there are participants that don't request a friend to play with or live in an outside area, then they will be placed randomly onto a team. Placement of all participants will depend on how many volunteer coaches are acquired.
