Soccer: Introduction to Sports - Outdoor Soccer (Age 4 with Parent/Guardian)

This instructional program is designed to help the parent or guardian assist their child with the developmental skills of kicking, dribbling, passing and stopping the soccer ball. Instructors will work with both parents and children at each session. Each session will be informative and fun. A parent or guardian must be present. Every child will receive a T-shirt. For game day rainout information or if there has been rain prior to game day, please call (913) 312-8840 for cancellations. No additional information will be received. Please mark your calendar with start date, time and field.
