A. 2019 Johnson County Sailing Society Agreement – Bill McGowan, Outdoor Education Manager

Mr. McGowan gave some background on the long-standing agreement JCPRD has had with the Sailing Society over the past 35 years. Participant evaluations have consistently rated the Sailing Society’s instruction as excellent to good, and, without their assistance, JCPRD would not be able to continue this program.

SOE-1 It was the consensus of the committee to recommend Board consent approval of the 2019 Johnson County Sailing Society Agreement.
