Pickleball Information

Jump into the sport sweeping the nation!

Pickleball is a racquet sport combining tennis, badminton and table tennis into one super fun game. Games played with a hard paddle and a whiffle ball.

HISTORY: The game was started in the summer of 1965 by the Pritchard family. The family was bored one day so they decided to set up a badminton game. Well, no one could find the shuttlecock so they grabbed a whiffle ball instead. They lowered the badminton net and made larger paddles out of extra pieces of plywood.
