\*Plan includes a 100% non-insurance future travel credit feature provided by Trafalgar. Trip Cancellation or Trip Interruption benefits may also be available due to an Insured's being diagnosed with a sickness, such as COVID-19, as detailed in your state-specific plan documentation. Additionally, medical treatment expenses may be payable related to an Insured contracting any sickness, including COVID-19, that manifests while on their trip as well as emergency medical evacuation coverage if it is determined that transportation to a higher level of care is necessary as a result of contracting any sickness.

For Minnesota, Missouri and New York residents only, the "Any Reason" Cancellation Waiver may be purchased separately from the Travel Insurance Benefits. Contact 1-888-722-2195 for details.
